

# FREE Millwork to Help Fire Victims ReBuild

Focal Point, a leading manufacturer of finely-crafted polyurethane millwork, is donating a 52' trailer of product to help victims of the Bastrop County fire to rebuild their homes.

More than 1,000 items have been delivered to the Bastrop County Disaster Recovery Center, and are available FREE to fire victims on a first-come-first-serve basis.

Superior to wood, Focal Point's polyurethane products are lightweight, easy to work with and resist rotting, mildew, cracking, warping, splintering and insect infestation. Primed and ready to paint, Focal Point's products are perfect for all of your interior and exterior applications. Donated items include:

- Window and Door Headers
- Brackets
- Crown Moulding
- Louvers
- Architectural Elements
- Dentil Moulding
- Fluted Casing
- Flat Trim
- Shutters
- And More!

Items can be picked up at the Bastrop County Disaster Recovery Center: 1099 Hwy 71, Bastrop, Texas 78602. Contact Ruth Rogers for more information at 512-629-9504.

Additional Focal Point items can be purchased through McCoy's Building Supply, 550 State Highway 71 West, Bastrop, TX (512-321-3999).
